Description

The Nexhaul 15K Dump Trailer is a beast designed to conquer the toughest jobs with raw power and unmatched reliability. With a massive 15,000LB GVWR and dual 7,000LB axles equipped with electric brakes and slipper spring suspension, this trailer handles the heaviest loads without

breaking a sweat. The dual cylinders with hydraulic up and down functionality ensure precise control with every lift and dump. Built with an 8" super-duty main frame, an 82" wide bed, and a 28" bed height, this trailer gives you the strength and versatility you need for any task. Whether you’re hauling debris, equipment, or anything in between, the spreading and split combo gate, along with heavy-duty loading ramps, makes loading and unloading simple and efficient. Equipped with features like LED lights, a lockable toolbox with a wired remote for the hydraulic pump, breakaway kit, and safety chains, the Nexhaul 15K Dump Trailer is built for ease of use and safety. With radial 235/80R16 tires, heavy-duty steel wheels, DOT tape, and a rugged powder-coated finish, this trailer is engineered for durability, performance, and years of dependable use. Ready to work? This trailer is too.
