**Description**

Why Choose a Sure-Trac Pro Series Tilt Bed Equipment Trailer?
One of the standout features of this trailer is the oversized built-in toolbox, providing optimum storage for miscellaneous tools and equipment. This integrated storage solution helps keep your workspace organized and efficient. Additionally, the toolbox is equipped with an LED light, ensuring visibility in low-light conditions, whether you're working early in the morning or late at night.
The Pro Series Tilt Bed Equipment Trailer combines robust construction with thoughtful design, making it a reliable partner for any professional. Whether you're in construction, landscaping, or any heavy-duty field, this trailer is engineered to meet your toughest demands while enhancing productivity and safety on the job site.
The Pro Series® Tilt Bed Equipment Trailer is the ultimate choice for professionals seeking a durable, high-capacity trailer for their hauling needs. Designed with heavy-duty I-Beam construction, this trailer ensures exceptional strength and stability, making it ideal for transporting heavy equipment and materials. Available in both straight tilt and stationary deck configurations, it offers versatility to accommodate various storage requirements.
With Gross Vehicle Weight Ratings (GVWR) of 15.4K, 17.6K, and 22K, the Pro Series Tilt Bed Equipment Trailer can handle payloads of nearly 18,000 lbs, providing ample capacity for even the most demanding jobs. The balanced gravity tilt feature allows for smooth loading and unloading, while a built-in stop valve ensures safety during operation. The easy, hands-free locking latch secures the bed, giving you peace of mind while on the move.
FEATURES:
HD I-Beam Frame and Extended (72") Tongue
The HD I-Beam Frame and Extended (72") Tongue provides stronger structural integrity needed to handle larger loads with ease.
HD 2-Speed 12k Drop Leg Jack
The HD 2-Speed 12k Drop Leg Jack is a quick and smooth jack for easy hitching and unhitching.
Large Toolbox with Interior Light
This Large Toolbox with Interior Light allows for more room for all your tools with a light for added visibility.
Oversized Stake Pockets and Bulkhead w/ Integrated Tie-Down Points include plenty of tie-down points to make sure your cargo is secure and safe during transportation.
Balanced Gravity Tilt with Stop Valve and Easy Locking Latch
The Balanced Gravity Tilt with Stop Valve and Easy Locking Latch features smooth and seamless tilting with a valve for tilt control and an easy locking latch for convenience.
