Price: $22,589.00

Description

Multi-purpose Compact Tractor

SA Series tractors pack the power you'd expect from much larger tractors. That means the SA325 can do serious work with a front-end loader, a hydraulic backhoe, and three-point hitch attachments for mowing, tilling, planting, digging, plowing and so much more. \

Description

Conquer your to-do list.

YANMAR's 325 is the ideal sub-compact tractor choice when you need more power and more implement options. Powered by our renowned 3-cylinder, liquid-cooled diesel engine, it delivers a unique combination of power and fuel efficiency. Its performance is complemented by an all-new operator's platform that was designed with you in mind. The 325 is easier to climb on and off, features a more comfortable seat position, and puts every instrument and control at your fingertips. You believe in doing a job the right way. That's why this tractor is built to work as long and as hard as you need it to.
\
You believe in doing a job the right way. That's why we built this tractor to work as long and as hard as you need it to. The YANMAR SA325 is the ideal compact tractor when you need versatility. Equipped with a famously reliable Yanmar three-cylinder diesel engine, the SA324 delivers a unique combination of horsepower and fuel efficiency.
