Description

2025 BOSS Snowplow Sr Scout

Introducing the BOSS SR Scout "“ the ultimate choice for both newcomers and seasoned sidewalk snow removal professionals alike. With its sleek design and compact 34" width, the SR Scout effortlessly navigates through narrow pathways and intricate entryways, clearing snow with unparalleled precision. Powered by a robust 429cc Kohler engine and equipped with a 4' fully hydraulic straight blade featuring float and D-force technology, the SR Scout maximizes lift height,

effortlessly clearing obstacles and stacking snow with ease. Engineered with optimal ergonomics, it provides a comfortable working environment for extended operation. Ready to tackle any snow-clearing challenge, the SR Scout stands as the ultimate solution, combining reliability, performance, and ease of use in one compact package. Whether you're just starting out or looking to enhance your fleet, the SR Scout is the perfect entry-level machine or a valuable addition to any lineup.

- Snowrator Comparison - Compare the differences between the three best sidewalk warriors in the industry.
