Description

Built to dominate 50-inch trails straight off the showroom floor, the ZFORCE 950 Trail packs serious performance into a narrow-track chassis that’s anything but compromised. Powered by an 83 hp 963cc V-Twin and ride-by-wire throttle with SPORT and NORMAL modes, it delivers responsive, predictable power in any terrain. A reinforced steel frame, fully adjustable suspension,

and class-leading standard features make this machine trail-legal-but wild at heart. If you’re looking for excuses to upgrade, look elsewhere. This one’s already perfect.
