Description

Description

BRUNO Out-Sider ASL-250A/B & ASLHTP -- Exterior Scooter & Powerchair Lift & Carrier
Model ASL-250A/B & ASLHTP
Keep all of your vehicle's interior space for seating and cargo when you transport your scooter or powerchair with Bruno's Out-Sider exterior lift. It's durable, safe and reliable. For mid-wheel drive powerchair users, consider Bruno's ultra-sleek Out-Sider MWD platform version geared specifically for you. Easily gain access to cargo space by adding the "Swing-Away" option. The Out-Sider is available for nearly every type of vehicle.
Made in the USA

Features

Highlights
Fully powered, single-button operation
Automatic folding platform when not in use
Easy drive on/off platform with traction coating
No scooter or powerchair modifications
Reliable, easy-to-use mobility device securement
Low profile design for rear view mirror visibility
Integrated safety latch to prevent unintentional lowering
Lighted license plate holder
Manual backup for peace of mind
Potential to reinstall in another applicable vehicle
