Description

NEW 2026 LOAD RITE 16'1" Small & Wider V-Bunk Boat Trailer w/ Swing Up Jack - **LR952**

LOAD RITE GALVANIZED SMALL SINGLE AXLE BUNK 18' AND UNDER

Our Elite galvanized V-bunk models provide exceptional strength and corrosion resistance in a classic, easygoing bunk design. The heavy-duty galvanized steel frame features patented tubular construction that shrouds wiring and brake lines from damage during use and provides a streamlined, custom look. The bunks are a simple "set and forget" design and provide excellent hull support. All models receive LED lights and shrink-wrap electrical connections for extra peace of mind.

Finished with our stylish fenders and graphic accents, and available with a wide array of options like a tongue jack, spare tire and carrier, or aluminum wheels, this is a tough, high-performing trailer that will look great and carry you through years of heavy use.

All of these features are backed by the industry leading Load Rite 2 + 3 Warranty.
