Key Benefits
Tapered Entry for Full Width Loading
-Provides a smooth transition, allowing for easier and safer access when loading wider equipment or vehicles.
HD Tube Bulkhead
-Offers robust structural support, enhancing cargo security by preventing loads from shifting during transport.
HD Diamond Plate Knife Edge Tail
-Provides enhanced durability and a smooth loading surface, making it easier to load equipment while protecting against wear and tear.
(4) D-Rings
-Provide versatile tie-down options, ensuring secure anchoring of cargo to prevent shifting during transport.
Stake Pockets and Rub Rail
-Offer flexible anchoring points for securing cargo, enhancing load stability and adaptability during transport.
Hydraulic Dampener
-Ensures smooth and controlled operation of the trailer’s tilt mechanism, reducing stress on both the trailer and the load during loading and unloading.
