Description

82×20 ft Equipment Trailer (10,000 GVWR)
This 82×20 ft Equipment Trailer is designed for transporting heavy equipment with ease. Featuring a 10,000 lb GVWR, it combines rugged construction with high-quality features, ensuring both performance and durability.
Key Features:
Axles: (2) 5,200 lb E-Z Lube axles with electric brakes on both for reliable stopping power
Coupler: 2-5/16? adjustable coupler (rated for 10,000 lbs)
Jack: A-frame 2,000 lb jack for convenient hitching and unhitching
Safety Features: Brakeaway kit, DOT tape, and sealed wiring harness for added protection
Fenders: Tandem tread plate fenders for durability
Ramps: 5? channel ramps for smooth equipment loading
Lighting: LED lighting package with 3 light bar, side marker lights, and clearance lights for better visibility
Deck: 2×8 treated pine wood deck for strong support and longevity
Headache Bar: Built-in headache bar to protect your cargo
Stake Pockets: For secure tie-downs during transport
Compliance: NATM compliance for quality and safety standards
This equipment trailer provides exceptional strength, stability, and convenience for transporting heavy machinery, construction equipment, and more. Perfect for contractors, landscapers, and anyone in need of reliable hauling power.
