? Why Choose the 2026 PJ Voyager Package Dump Trailer?
The Voyager Package upgrades this trailer beyond a standard dump trailer by adding premium features that save time and increase productivity. The hydraulic tongue jack eliminates manual lifting, the solar charger helps keep the battery maintained, the swing tarp system makes covering loads quick and easy, and the 5-stage telescopic cylinder provides powerful lifting performance. Combined with a 15,400 lb GVWR, 11,340 lb payload capacity, 7-gauge steel floor, and Monster Rail sidewalls, this trailer is built for demanding commercial work and everyday reliability.
