Price: $13,100.00

Description

The Diamond C HDT207 Hydraulic Tilt Equipment Trailer is a rugged and versatile 22’ equipment trailer designed to handle demanding hauling applications with ease. Built with an 8” x 10 lb I-beam frame, 3” I-beam cross members on 16” centers, and a durable 2” treated wood floor, this trailer delivers exceptional strength and long-term reliability for transporting skid steers, tractors, vehicles, and heavy equipment.

Its hydraulically dampened gravity tilt system features a 16’ tilt bed paired with a 6’ stationary deck, allowing for smooth and efficient loading without ramps. Tandem 7,000 lb drop axles with electric drum brakes, 6-leaf slipper spring suspension, and heavy-duty ST235/80R16 14-ply radial tires provide stable towing and dependable performance on the road.

Additional premium features include a 21K Demco EZ-Latch adjustable coupler, integrated I-beam tongue, 12K drop-leg jack, heavy-duty V-tongue storage box with lid, rub rail with stake pockets, four 5/8” D-rings, bolt-on diamond plate fenders, and a curbside spare tire mount. Finished in metallic gray paint, the HDT207 combines professional-grade durability with a clean, modern appearance built for work every day.
