Description

The Original Hay Chix 6' Large Bale Net w/ 1 3/4" Holes

****Get the net that started it all!* ***
Take control of your losses and utilize at least 94% of your hay usage with the Hay Chix® Large Bale Net!
With less hay waste, you'll save both time and money.

The 6' net with 1 3/4" holes is our most popular net size, the Large Bale Net 6' will fit up to a 6' x 6' foot bale, as well as 4' x 5' or 5' x 5' bales.
This net will also fit large square bales: 4' x 4' x 8' and 3' x 3' x 9' in size.

- Hay Chix® nets are proven to save time, money, and hay!
- Reduce clean up time & minimize wasted hay on the ground!
- Ideal for use in the pasture or paddock!
- Several Sizes and Styles Available!
- Slow feed hay nets help horses maintain healthy digestion and mental stimulation by slowing down the eating process to a more natural grazing type of behavior!
- Slow feed helps stimulate saliva production which aids in digestion and helps create a barrier from acid buildup.

The Hay Chix® Net is University proven to reduce waste in round bales and slow down consumption to a more natural rate and improves respiratory health as the net works as a barrier so your horse is not be able to bury its head in the bale!

- Ring feeder sold separately!

Warning: We do not recommend use with horned animals, horses with blankets, or non-breakaway halters. Net may be used with shod horses and animals with split hooves but must be used with a hay ring that is flush with the ground or hung high enough so they cannot paw at it. Net may be used with blankets as long as the buckles are covered or there is a barrier between the netted bale and the blanket.
