Description

Rear Locking Components - 2
Rated Bumper -18,500
The Norstar UB Utility Bed has been re-engineered for enhanced security and durability. It now features a new master lock system for improved access control and peace of mind. The redesigned doors come with a compression latch and three-point locking system, ensuring your tools and gear are kept safe and dry. The bed is also upgraded with new taillights and all-new stamped fenders for a sleek, modern look. For added functionality, the deck now includes four D-rings, and the bumper has a powder-coat textured finish for increased grip and protection. Finally, new, more secure hinges with no exposed hardware provide a clean finish while boosting security.
