Description

Hay Chix 1/2 Bale Slow Feed Net w/ 1 3/4" Holes

***** WE HAVE SEVERAL COLORS IN STOCK!!!**

- This net holds about 1/2 of a small 2-strand square bale (4-6 flakes.)
- Perfect for on-the-go use such as hauling, stalling at events, weekend trail rides, etc...
- Slow feed aids horses with ulcer prevention, stall weaving, pawing, cribbing, and other unwanted behaviors.
- Hay Chix® nets are proven to save time, money, and hay!
- Reduce clean up time & minimize wasted hay on the ground!
- Several Sizes and Styles Available!
- Slow feed hay nets help horses maintain healthy digestion and mental stimulation by slowing down the eating process to a more natural grazing type of behavior!
- Slow feed helps stimulate saliva production which aids in digestion and helps create a barrier from acid buildup.

$35 + tax, cash or check pricing, additional fee if paying with a card!

Warning: We do not recommend use with horned animals, horses with blankets, or non-breakaway halters. Net may be used with shod horses and animals with split hooves but must be used with a hay ring that is flush with the ground or hung high enough so they cannot paw at it. Net may be used with blankets as long as the buckles are covered or there is a barrier between the netted bale and the blanket.
