LOAD RITE GALVANIZED SMALL SINGLE AXLE BUNK 18' AND UNDER Bunk Galvanized Single

Our Elite galvanized V-bunk models provide exceptional strength and corrosion resistance in a classic, easygoing bunk design. The heavy-duty galvanized steel frame features patented tubular construction that shrouds wiring and brake lines from damage during use and provides a streamlined, custom look. The bunks are a simple "set and forget" design and provide excellent hull support. All models receive LED lights and shrink-wrap electrical connections for extra peace of mind.
Finished with our stylish fenders and graphic accents, and available with a wide array of options like a tongue jack, spare tire and carrier, or aluminum wheels, this is a tough, high-performing trailer that will look great and carry you through years of heavy use.
