Sales Price: $7,399.00

Description

This 2026 Homesteader 6 x 12 ft dump trailer uses a power-up, gravity-down system to keep dumping simple without adding unnecessary hydraulic complexity. 24-inch sides give you real capacity for mulch, gravel, or debris, and 5,200 lb axles with electric brakes and EZ lube hubs keep towing and maintenance straightforward. A deep-cycle battery powers the lift system independently, and radial tires provide a smooth ride under load.
A locking tongue tool box keeps straps and tools secure and close at hand, and the included tarp kit helps keep loose material contained during transport. The 2 5/16-inch ball coupler makes hitching quick and easy. With a 9,950 lb GVWR, this Homesteader dump trailer in Black is priced at $7,399.
Key Specs:
