Description

Black Rhino UT Series – Maximum Versatility. Unmatched Performance.

The Black Rhino UT Series is built for serious haulers who need a lightweight, all-aluminum utility trailer with maximum loading flexibility. Featuring a high-quality aluminum deck and no side rails, the UT Series makes side loading and unloading effortless—perfect for ATVs, UTVs, motorcycles, tractors, and heavy-duty equipment.

Need even more functionality? Easy access from any angle, while multiple configuration options make this trailer a go-to choice for landscapers, contractors, and outdoor enthusiasts. Whether you're hauling pallets, powersports vehicles, or work equipment, the UT Series is built to handle it all.

For those who demand a rugged, lightweight, and highly adaptable aluminum trailer, the Black Rhino UT Series is ready for the job.

6'X12", Extruded Aluminum Deck, Premium Aluminum Wheels, Torsion Drop Axle, Tubular Construction, Stake Pockets, 2,270 Payload capacity
