Price: $16,325.00

Description

The Diamond C 16’ LPT207 dump trailer with 24” tall sides and board extensions is a handy, hardworking setup for folks who need extra hauling room without stepping up to a bigger trailer. Those 24” sides already give you plenty of capacity for dirt, gravel, firewood, or feed, and the board extensions make it easy to stack up brush, mulch, or lighter loads without spilling over the sides. It’s got Diamond C’s heavy-duty engineered frame, a strong telescopic cylinder for smooth lifting power, and a sturdy dump bed that’s built to take real work day after day. Up front, the large toolbox keeps your battery, pump, and tools protected and easy to get to, while the trailer pulls nice and steady behind the truck whether you’re headed to the farm, the barn, or the jobsite. It’s the kind of dump trailer that’s easy to use, built tough, and always ready when there’s work to be done.
