A 7x16 trailer with 7K GVWR—ready for heavier landscape tasks and light machinery.
Landscape Trailers
A rugged and versatile utility trailer designed for heavy-duty landscape hauling. Built with a reinforced steel frame for maximum strength, this trailer handles lawn equipment, tools, bulk materials, and debris with ease. Perfect for landscaping contractors, groundskeepers, and property maintenance professionals who need a dependable trailer built to last. With durable construction and a functional design, this trailer is a reliable workhorse for demanding hauling jobs. Available with one- or two-foot mesh siding.
Standard Style
Our Standard trailers use square tubing frames, which provide added strength, durability, and a cleaner look. Tubing construction is ideal for heavier loads, frequent use, or customers who want a longer-lasting investment.
