Description

Aluminum Speed Loader® Tilt Car Hauler Trailer (102" Wide)
The H&H Aluminum Speed Loader® Tilt Car Hauler Trailer combines smooth tilt operation with lightweight strength, offering a premium towing solution for your vehicles. This durable tilt trailer is designed for effortless loading, superior performance, and lasting reliability.
Key Benefits
12V Hydraulic Pump with Push Button Control – Effortless Tilt Operation
Enjoy smooth, controlled loading and unloading with a powerful hydraulic system operated by the simple push of a button.4-Amp On-board Charger – Reliable Battery Maintenance
Keep your hydraulic pump ready for action at all times with an integrated on-board battery charger that ensures consistent performance.Removable Fenders – Maximum Loading Flexibility
Easily removable fenders that provide extra clearance when you need it.Aluminum Wheels – Lightweight Strength and Style
Built for durability and a polished appearance, the aluminum wheels add a premium look to your car hauler trailer.
Why Choose an H&H Aluminum Speed Loader® Tilt Car Hauler Trailer?
Overview
The H&H Aluminum Speed Loader® Tilt Car Hauler Trailer redefines convenience and performance for serious vehicle haulers. Built with a full-tilt deck design, this tilt trailer uses a 12V hydraulic system to make loading fast and easy, minimizing stress on both the operator and the cargo. Whether you're hauling classic cars, sports cars, or work vehicles, this aluminum tilt trailer delivers professional-grade results.Available Models
Available in a variety of lengths and widths, the Aluminum Speed Loader® is designed to fit everything from compact cars to full-size trucks. Each model offers generous payload capacity, making it a dependable choice for daily hauls or special transport needs.Standard Features
Every Aluminum Speed Loader® Tilt Car Hauler Trailer comes equipped with a 12V hydraulic pump with push button control, a 4 amp on-board battery charger, removable aluminum fenders, and stylish aluminum wheels. Additional features include a durable aluminum frame, treated wood decking, a sealed wiring harness, LED lighting, stake pockets, and rub rails.Options
Enhance your tilt trailer with available upgrades such as wireless remote controls, spare tire mounts, deck extensions, rock guard fairing, and premium flooring choices. These customizable options allow you to tailor your car hauler trailer to fit your specific hauling needs.
