Description

Aluminum Rail Side Utility Trailer
Designed for strength, versatility, and easy towing, H&H Aluminum Rail Side Utility Trailers are the perfect solution when you need a reliable small utility trailer for work or play.
Key Benefits
Triple Tube, Fully Wrapped Tongue – Enhanced Frame Strength
The triple tube design with a fully wrapped tongue ensures exceptional durability and better weight distribution.Bi-Fold Aluminum Rear Ramp – Easy Loading Access
The lightweight bi-fold ramp simplifies loading and unloading, bi-folds to reduce wind drag, and makes transport more efficient.Tube Top Rail and Uprights – Enhanced Rigidity
The tube top design provides added strength without the necessary weight.Aluminum Wheels – Durable, Lightweight Styling
Premium aluminum wheels add strength without extra weight, improving towing performance and offering a sleek appearance.Sealed Wiring Harness – Reliable Electrical Protection
All trailer wiring is fully sealed and protected from the elements, ensuring consistent performance and minimal maintenance.
Why Choose an H&H Aluminum Rail Side Utility Trailer?
Overview
The H&H Aluminum Rail Side Utility Trailers blend lightweight aluminum construction with rugged performance to create one of the most versatile utility trailers available. Built to handle a variety of hauling needs, this trailer is perfect for homeowners, landscapers, and recreational users looking for a dependable small utility trailer that’s easy to tow and built to last.Available Models
Choose from a wide range of sizes to suit your specific needs, whether you're hauling yard equipment, ATVs, or home improvement materials. Each model is engineered to deliver excellent balance, smooth towing, and outstanding durability for everyday use.Standard Features
Every Aluminum Rail Side Utility Trailer is equipped with a triple tube, fully wrapped tongue, a bi-fold aluminum rear ramp, sealed wiring harness, and aluminum wheels. Additional features include a swivel jack with caster wheel, LED lighting, side rail tie-down points, and a corrosion-resistant all-aluminum frame.Options
Customize your trailer with available upgrades like spare tire mounts, fully enclosed wiring, additional tie-down points, and tongue mounted toolbox. These options allow you to tailor your small utility trailer to meet your exact hauling requirements.
