Description

Call it a crew hauler if you want. Out here it's more like a promise kept. The UFORCE 1000 XL takes six bodies, a bed full of reasons, and the kind of terrain that likes to argue—and keeps moving. The V-Twin makes torque down low, where work lives. The 4,500-lb winch is insurance you actually use. A 1,000-lb gas-assist box loads, tips, and gets back to level while you're thinking about the next stop. Hitch up 2,500 pounds and don't look back. No drama. No chrome. Just a machine that plainly earns its place and a dealer who gets to know you by name. For ranches, crews, budgets, and long days with short tempers, this is the one that doesn't clock out.

Seating for 6 - Two row three passenger bench seats
