Description

This 2027 HTC 6' x 12' steel utility trailer in Black checks the boxes for a reliable, everyday hauler: a powder-coated steel C-channel frame, a spring assist gate that makes loading easier, and tie-down options like flat hook pockets and S-hook holes to keep your cargo secure. EZ lube hubs simplify service, and the wood deck with radial tires handles wear well. Setup is quick with the A-frame tongue, setback tongue jack, and 2" coupler, and E-track accessory slots plus LED lighting round things out. With a 2,990 lb GVWR and 2,000 lbs of payload capacity, this HTC utility trailer is priced at $2,799.
