2027 Rock Solid Cargo 7x16 Tandem Axle Pro Series Motorcycle Trailer – Charcoal PolyCore

The 2027 Rock Solid Cargo 7x16 Tandem Axle Pro Series Motorcycle Trailer is built for motorcycle enthusiasts who want premium construction, professional-grade features, and dependable towing performance. Finished in a sharp Charcoal .080 PolyCore exterior, this Pro Series trailer is designed to haul Harley-Davidson motorcycles, touring bikes, cruisers, dirt bikes, ATVs, side-by-sides, lawn equipment, and valuable cargo while delivering a bold appearance and exceptional durability.

Featuring a 7-foot wide body, 16-foot floor length, and a spacious 7-foot interior height, this trailer provides plenty of room for larger motorcycles and equipment. The upgraded 60-inch extended triple tube tongue improves towing stability and maneuverability, while the rear spoiler with integrated LED loading lights, 13-inch exterior loading lights, and rear fold-down stabilizer jacks make loading and unloading safe and convenient any time of day.

Built for riders who expect more from their trailer, this Pro Series model includes three rows of recessed floor E-Track for flexible tie-down options, four 48-inch LED interior lights, a ThermaCool™ insulated ceiling liner, LED backup lights, and the aggressive Super Stealth Blackout Package. Combined with Rock Solid Cargo's heavy-duty 6-inch steel tube frame, undercoating with a moisture barrier, and premium .080 PolyCore exterior, this trailer is engineered to provide years of dependable performance on every trip.
