Description

EZ-DumperRegistered inserts are tough. Our products are designed, engineered and manufactured to deliver dependable performance in tough conditions and extreme environments - the perfect solution for safely & efficiently moving any load from one jobsite to another.

Made from steel or stainless steel construction, our inserts are available in standard 8' size with 2 cubic yard capacity to fit most full-size pickups, and smaller 6' model with 1.5 cubic yard payload capacity available to fit most short-bed trucks. EZ-DumperRegistered inserts are designed and manufactured to perform

Easy to Install and Operate

- Simple to install. Our dump inserts bolt directly to most full-size pickup trucks in two or three hours with few or no alterations or mods required. All you need are a few common tools.
- Nearly effortless operation. To empty a payload, simply open the tailgate and with the push of a button on your remote, dump and lower via a 12V Monarch Hydraulic Double-Acting Pump connected directly to your truck's battery. The EZ-DumperRegistered lifts to an angle of 51 degrees in about 15 seconds for a quick and clean unloading. Never unload your truck by hand again.
- For complete install instructions, review our owner's manual.
- Features

- The Original Hydraulic Dump Insert for Trucks (Since 1972)
- 6,000lb Lift Capacity
- 12 Gauge Steel Floor
- 14 Gauge Steel Sides
- Expansion Stake Pockets (outside)
- Full-length Flat Bar Rub Rails
- Durable Powder Coat (Black) protects against premature rust and corrosion
- 2 Cubic Yards of Capacity (8 Insert, Upgradable to 4 Cubic Yards with Mounted Sideboards and Cab Protector)
- Convert Your Pickup into a Dump Truck in 2 or 3 Hours without the Overhead Expense
- Removable, Double-acting Tailgate Lets You Dump, Then Spread What You Dump
- Full Front-to-Tailgate, Parts and Labor Two Year Warranty
- Fits Most Full-Size Trucks
- Short Bed 6 Truck Insert Also Available (EZ0012TSB)
