Description

PJ 20' Pro Beam Equipment Trailer
The PJ 20' Pro Beam Equipment Trailer is a rugged, heavy-duty trailer built to handle demanding hauling applications with confidence. Ideal for contractors, landscapers, farmers, and equipment operators, this trailer is designed to transport skid steers, tractors, mini excavators, and other heavy equipment safely and efficiently.
Built with PJ's durable 8" Pro Beam frame, this trailer offers exceptional strength and stability for everyday commercial use. Tandem 7,000 lb electric brake axles with heavy-duty spring suspension

provide a 14,000 lb GVWR, delivering dependable towing performance and reliable stopping power.
The 20-foot deck features a 3.5' dovetail with heavy-duty Monster Ramps, creating a low loading angle for easy loading and unloading of equipment. An adjustable 2-5/16" Demco EZ-Latch bumper-pull coupler ensures a secure hookup and allows for easy hitch height adjustment to accommodate a variety of tow vehicles.
Finished in a durable black powder coat over primer, this trailer is built to resist corrosion and withstand years of hard work.
