Price: $2,199.00

MSRP: $2,899.00

Description

The 2027 Yacht Club STPWC is a steel personal watercraft trailer, offered in one, two and four place configurations. Yacht Club builds it on a fully welded tubular frame with galvanized Dexter torsion axles, so it stands up to repeated dunking at the launch. Adjustable carpeted bunks let you set it to your own hull rather than the other way round.

- 2K - GVWR on galvanized Dexter torsion axles
- Fully welded steel tubular frame and tongue
- Textured polyester powder coat, or a galvanized finish

• Adjustable carpeted bunks, from (2) 2x4 up to (8) 2x6 by configuration
• Grease fittings on all hubs
• High-impact covered winch
• All-LED lighting
• Disc brakes on the 4-place models

Please give us a call for details and current trailer availability. Descriptions are subject to possible errors, so we recommend calling to verify all information.
