-Features-

Introducing our Utility Flat Rail, the perfect blend of flatbed convenience and added rail security. Our standard models feature a 2x1 tube rail and a 2x1 tube rear ramp gate, making them well-suited for loading lighter UTVs, ATVs, landscape equipment, and more. What makes these trailers stand out is their unique design, including side ramps and a rear ramp, catering perfectly to recreational UTVs and ATVs. Whether you're into hunting, camping, or hauling equipment and materials, these versatile trailers are up for the task.

Our utility trailers come with smooth-style fenders, stake pockets, LED lights, and a pressure-treated wood deck, ensuring durability and functionality. Choose from various widths, lengths, and axle configurations to tailor the trailer to your specific hauling needs. Explore the versatility and practicality of our Utility Flat Rail standard models today!
