### Description

- Crossmembers - 3" roll-formed steel for superior deck support and load capacity
- Frame Rails - 4" precision-cut structural channel steel runners for maximum strength and enhanced corrosion resistance
- Fuel Fill - Angled fill neck with rear-facing design on cab chassis bodies for easy fueling and reduced splashback
- Marker Lighting - DOT-approved LED bullet lights for reliable, road-ready visibility

- Side Rails - 3/8" x 2" formed steel rub rails with integrated stake pockets for secure tiedown options, â ?â?• x 2â?• formed steel with stake pockets and tie-down compatibility
- Trailer Light Plug - Automotive-grade seven-way/four-way 12-volt hookup for easy, reliable trailer connections
- XCoat - Proprietary multi-stage powder coating system delivering industry-leading corrosion resistance and a professional finish
- XDeck - Fully recessed 1/8" steel treadplate deck maximizes cargo space and eliminates exposed edges, protecting against wear and corrosion
- XHitch - Frame-integrated towing system with 30,000 lb gooseneck, 24,500 lb receiver, upright safety chain keepers, pre-wired electrical connections, and an emergency breakaway loop for the safest towing experience in the industry
- XLights - Automotive-grade integrated taillights with stop, tail, turn, backup, and built-in amber strobe for maximum visibility and job-site safety
- XRack - Fully integrated headache rack system, built into the body-not bolted on, with precision 3" x 4" steel tubing, mandrel bends, and built-in Xlights for unmatched strength, protection, and safety
