Description

Here’s the landscape and sports trailer that will go wherever you want to go—the Teske Mfg. 6-1/2 ? x 12? RTR Landscape /ATV-UTV Trailer. The formed channel and angle steel frame and treated wood deck are built solid and sturdy to deliver years of reliable use. The step back jack, 15” radial tires and LED lighting package are features that make this trailer a great value and performer. The full reinforced 4’ rear ramp offers adaptability and safety when loading and unloading. This trailer also features a 5’ removable side rail (RSR) section for those times went materials come on pallets or the second ATV can be loaded sideways. Whether its work, recreation or household chores, this trailer delivers.
