## Description

This 2026 Formula Trailers Traverse 7 x 14 ft enclosed cargo trailer pairs a rugged build with a sharp, finished look. A steel tube frame with a battle-coated finish resists rust and wear, while the one-piece roof and V-nose front cut down on wind drag and keep moisture out. Aluminum wheels and radial tires ride smoothly, and brakes on both axles with EZ lube hubs and leaf spring suspension keep towing and maintenance straightforward. The ramp door makes loading wheeled equipment simple, while the RV locking side door adds secure walk-in access. Polycore sides keep the trailer lightweight, and 16-inch on-center wall posts and floor framing add structural strength throughout. A rear spoiler with integrated loading lights and a setback tongue jack round out the convenience features, along with 7 ft of interior height for easy movement inside. Finished in Black with a 7,000 lb GVWR, this Formula Traverse cargo trailer is priced at \$8,399.

Key Specs:

- Floor Size: 14 ft (168 in) x 84 in
- Interior Height: 7 ft
- GVWR: 7,000 lbs
- Weight: 2,280 lbs
- Payload Capacity: 4,720 lbs
- Color: Black
- Price: \$8,399
