Description

This 2027 Lamar 102" x 22' H6 equipment trailer is a heavy-duty 14K GVWR setup built for contractors, equipment operators, landscapers, farmers, and anyone needing a dependable way to transport machinery, vehicles, or other heavy equipment.
The 18' deck provides plenty of usable space for larger loads, while the 4' dovetail and heavy-duty Rhino ramps make loading and unloading equipment easier. With its tandem 7K axle configuration and drive-over fenders, this trailer is a versatile option for hauling everything from skid steers and mini excavators to tractors, vehicles, and other jobsite equipment.
This particular setup combines serious hauling capability with a practical bumper-pull design, making it a great choice for someone who needs a work-ready equipment trailer without stepping up to a gooseneck.
Available now at VistaTrailers LLC in Oakland, TN, with Nationwide Delivery Available.
