## **Description**

Looking for an aluminum utility trailer with an easy loading gate? This 2026 Sport Haven 6' x 12' model features a bi-fold ramp gate for loading mowers, ATVs, or general cargo, built on an aluminum frame and aluminum deck with steel wheels for durability at a lower price point. Leaf spring suspension keeps maintenance simple, and the 1,000 lb swivel jack makes hitching up quick. Tube top rails, a flute tube tongue, and a 2" ball coupler round out the build, and LED lighting and a flat 4 connector finish things off.
