Description

OVERVIEW

The 4Box is the working model of our skirted beds. It has a 2" fender skirt and a wide deck giving you a more finished look without losing deck capacity. \
Wheel well intended for stock tires. If going with oversized tire/wheel setup, call for larger wheel well options. \

Standard Features

Insert Toolboxes
Our 4-Box Utilities come standard with 4 underbody insert toolboxes. This offers a great storage area for whatever project you need it for.
Gooseneck and Receiver Hitch
We build every bed with a 30,000# rated Gooseneck Hitch.

The deep skirting of our 4-Box Utilities offer truck frame coverage to give your truck a show truck look.
?Rated at 18,000# Tow/1,800 hitch weight based off of use of standard receiver with top of ball level with bottom of receiver tube. If you are using a different hitch (drop or pintle) please call with specs so we can give you a specific rating.

Formed Headache Rack

Our formed Headache Rack is a signature look of our beds. This feature comes standard with stop and reverse lights as well as side markers. You will for sure be seen with these added lights.
New bolt on design allows for better fitment to your truck cab. Ask your dealer for more information!
