Description

Liberty LT16K83X22SPB8 22' Tilt Equipment Trailer – 17,500 GVWR
Load equipment without wrestling with heavy ramps. The Liberty LT16K83X22SPB8 split-deck tilt trailer combines an 83" wide, 22' deck with heavy-duty construction for hauling skid steers, compact tractors, and other jobsite equipment within its rated capacity.
Available at Great West Trailer & Truck in Fort Morgan, Colorado, this Liberty equipment trailer delivers convenient loading, useful storage, and the strength contractors, ranchers, and equipment owners need.
Easier Loading. More Useful Deck Space.
The 16' tilt platform with hydraulic dampening and a tilt-speed control valve provides controlled deck movement during loading and unloading. A rear knife edge creates a smooth approach, while the 6' stationary front deck gives you room for attachments or supplies without occupying the moving platform.
