Price: $6,350.00

Description

This 2027 Lamar 83x20 H6 equipment trailer is a heavy-duty 14K GVWR setup built for contractors, equipment operators, landscapers, farmers, and anyone needing a dependable way to transport machinery, vehicles, or other heavy equipment.
The 18' deck provides plenty of usable space for larger loads, while the 2' dovetail and heavy-duty Stand up ramps make loading and unloading equipment easier. With its tandem 7K axle configuration, this trailer is a versatile option for hauling everything from skid steers and mini excavators to tractors, vehicles, and other jobsite equipment.
This particular setup combines serious hauling capability with a practical bumper-pull design, making it a great choice for someone who needs a work-ready equipment trailer without stepping up to a gooseneck.
Available now at VistaTrailers LLC in Oakland, TN, with Nationwide Delivery Available.
