Description

MEB 77x16 Utility Trailer
This MEB utility trailer features a 16-foot treated wood deck, 77-inch deck width, and 12-inch-high steel rails along both sides and the front. Its tandem 3,500 lb axles, rear-axle electric brakes, and heavy-duty C-channel frame make it a practical setup for landscaping equipment, building materials, property maintenance, and general hauling.
