Description

**2022 SMC SL8412SR 4 Horse Living Quarters Trailer **
Looking for a clean, well-equipped used 4 horse living quarters trailer without the added weight and maintenance of a slide-out? This 2022 SMC SL8412SR checks a lot of boxes.
Built with durable aluminum construction, this SMC offers a spacious 30' floor length, 8' width, 4-horse configuration, and 16,000 lb. GVWR. Up front, you've got comfortable living quarters with the essentials you want for long weekends at the rodeo, horse shows, jackpots, trail rides, or simply spending a few days on the road.
And one of the best parts? No slide-out. If you want an LQ trailer that's a little more straightforward—fewer moving parts, no slide to put in before leaving, and no worrying about slide mechanisms—this is a great setup.
