2027 Arising 6x12 Tandem Axle EKO Enclosed Cargo Trailer – Charcoal Polycore

The 2027 Arising 6x12 Tandem Axle EKO Enclosed Cargo Trailer delivers exceptional value, dependable construction, and smooth towing performance in a compact enclosed trailer. Finished in a sharp Charcoal .080 Polycore exterior, this trailer is built to haul motorcycles, dirt bikes, ATVs, lawn equipment, contractor tools, furniture, and valuable cargo while providing reliable protection from the elements. Whether you're using it for work or weekend adventures, the EKO series is engineered to perform.

Featuring a 6-foot wide body, 12-foot floor length, and 6'3" interior height, this trailer offers generous cargo space while remaining easy to tow behind most trucks and SUVs. The aerodynamic Sharp-Vee V-Nose improves towing efficiency while creating additional front storage space. Tandem 3,500 lb brake leaf spring axles provide improved stability, smoother handling, and dependable braking for confident towing on every trip.

Built with Arising Industries' durable steel frame construction, this trailer features a rugged .080 Polycore exterior, one-piece Galvalume roof, premium plywood flooring and walls, LED lighting, EZ Lube hubs, and heavy-duty double rear doors with bar lock. The convenient side entry door, roof vent, and durable construction make this trailer an excellent choice for contractors, homeowners, powersports enthusiasts, and small businesses alike.
