2027 Arising 7x14 Tandem Axle EKO Enclosed Cargo Trailer – Gray Polycore

The 2027 Arising 7x14 Tandem Axle EKO Enclosed Cargo Trailer delivers dependable performance, quality construction, and outstanding value for customers looking for a versatile enclosed trailer. Finished in a sleek Gray .080 Polycore exterior, this trailer is built to haul motorcycles, ATVs, lawn equipment, contractor tools, furniture, and valuable cargo while providing reliable protection from the elements. Whether you're using it for work or recreation, this EKO model is designed to perform.

Built with a 7-foot wide body, 14-foot floor length, and 6'3" interior height, this trailer offers generous cargo space while remaining easy to tow behind most trucks and SUVs. The aerodynamic Sharp-Vee V-Nose improves towing efficiency while adding valuable front storage space. Tandem 3,500 lb brake leaf spring axles provide increased stability, smoother towing, and dependable braking for every trip.

Constructed with a rugged steel frame, .080 Polycore exterior, Galvalume roof, and premium plywood flooring and walls, this trailer is engineered for years of dependable service. The double rear doors with bar lock, 32" side entry door, LED lighting, roof vent, and EZ Lube hubs make loading, unloading, and maintaining your trailer simple and convenient.
