Description

2027 Liberty 14K 14' Heavy-Duty Dump Trailer — 5-Stage Telescopic Hoist

14K GVWR | 14' DUMP BED | 5-STAGE TELESCOPIC HOIST | BUILT FOR SERIOUS WORK

Looking for a heavy-duty 14K dump trailer that can handle everything from construction debris and landscaping materials to farm work and equipment hauling? Take a look at this 2027 Liberty 14K 14' Dump Trailer, equipped with a powerful 5-stage telescopic hydraulic dump system.

The 14' dump body and 14,000 lb. GVWR make this an extremely versatile size for contractors, landscapers, farmers, ranchers and property owners who need serious hauling capability without stepping up to a larger 16K trailer.

5-STAGE TELESCOPIC DUMP SYSTEM

One of the biggest advantages of this Liberty dump trailer is its 5-stage telescopic hydraulic cylinder.

The telescopic hoist provides powerful lifting force from the front of the dump body and delivers a steep dumping angle to help unload dirt, gravel, rock, construction debris, roofing material and other heavy or stubborn loads.

For buyers comparing telescopic dump trailers vs. scissor-hoist dump trailers, this heavy-duty telescopic system is an important feature to consider.

14' HEAVY-DUTY DUMP BODY

The 14-foot dump bed hits a great balance between capacity and maneuverability. It's large enough for demanding commercial and agricultural jobs while remaining practical for everyday towing and jobsite use.

- Perfect for hauling:
- Dirt, Sand & Gravel
- Rock & Landscaping Material
- Construction & Demolition Debris
- Roofing Tear-Off
- Scrap & Cleanup Material
- Firewood
- Farm & Ranch Material
- Skid Steers & Compact Equipment
- Commercial & Contractor Loads

Whether you're cleaning up a construction site, hauling material around the farm or moving compact equipment, the Liberty 14K 14' Dump Trailer is built to earn its keep.

A GREAT ALL-AROUND 14K DUMP TRAILER

There's a reason the 14K / 14' configuration is such a popular size in the dump trailer market. You get plenty of hauling capacity and usable floor space without the additional size and weight of a larger dump trailer. That makes this Liberty an excellent choice for buyers who need one trailer capable of handling a wide variety of jobs.
