OVERVIEW

DECK OVER DUMP TRAILER

The DOD is designed to be the best-in-class deck over dump trailer. Including EZ fold-down sides with a one touch center latch (like a truck tailgate) making it easier to open and close. Using an engineered beam frame, and a telescopic cylinder design, what more do you need from a dump trailer? The deck over dump trailer is the most versitile dump trailer, allowing easy side loading of pallets and longer materials.

STANDOUT FEATURES:

-EZ Fold-down Sides, with one touch center latch
-Dump Angle: 45*
-Engineered Beam Frame
- DM Coating, 6-Step Powder Coat Finish
