Description

2026 Load Trail 102" x 32' Tandem Heavy-Duty Gooseneck Equipment Tilt Deck
The 2026 Load Trail 32' Heavy-Duty Gooseneck Equipment Tilt Deck is built for serious equipment hauling. With a full-width deckover design, tandem 12K Dexter axles, and a full hydraulic tilt deck, this trailer provides the capacity and convenience needed for hauling large equipment without dealing with traditional ramps.
Key Features:
32' x 102" full-width deckover
Full hydraulic tilt deck
Tandem 12,000 lb Dexter spring axles with electric brakes
Heavy-duty slipper spring suspension (HDSS)
Dual ST235/80R16 Load Range G 14-ply tires on black wheels
Adjustable 30,000 lb 2-5/16" gooseneck coupler
Treated wood flooring
Crossmembers on 16" centers
Dual MAX hydraulic jacks with TUFF 4-button wireless remote
TUFF 2-button wireless tilt remote
Eight 4" welded-on D-rings
2" rub rail for additional cargo securement
Full-width front toolbox between the risers
8" channel winch mounting plate
Dual 15" MAX-STEPS
LED lighting with cold-weather harness
Mud flaps
Stud junction box
5-amp battery wall charger
Standard frame without bridge
Blue finish with primer
Load Trail Road Service Program
Built for hauling excavators, skid steers, tractors, lifts, and other heavy machinery, this 32' Load Trail Equipment Tilt combines heavy-duty capacity with the convenience of a full tilt deck, hydraulic jacks, and wireless controls for easier loading and hookup.
