Description

When winter strikes, it demands speed and efficiency to keep busy sidewalks and walkways clean. The BOSS Exact Path 6.0 cubic feet drop spreaders do just that. The Exact Path is another solution from BOSS built to efficiently perform in locations where constant foot traffic, tight areas and obstacles are all part of the job. The Exact Path drops deicing material along a precise path while protecting grass or landscaping. Put your UTV, tractor or compact vehicle to work and battle ice with BOSS. 2-year parts and labor warranty.

Factory-trained installation is available. Call to get a quote for your application. We offer 24-hour parts and service for BOSS equipment during winter weather events. Our well-stocked parts department insures quick and efficient turnaround on your repairs.
