LED Package2026 Lamar Trailers Inc UC - SA 77" x 12' 3.5K"A trailer designed to work with you, not against you." That's the idea behind Lamar utility trailers. And that idea is now more streamlined than ever.Lamar utility trailers are welded using intelligent, real-world experience, and have the sleek operation that you've come to expect from Lamar. Options developed from use in the field and user feedback give you the tools needed for your load. Whether you're hauling landscaping tools or ATVs to the deer camp, you'll have a utility trailer that's up to the task.All of this comes together in a package that's right at home behind your towing vehicle. Do everything and anything that you love and need to do, all at the speed of life.Lamar Trailer's UC model is our smallest channel frame utility model. The UC is your first choice for a trailer with enhanced frame stiffness, without the weight of a larger model. It's the perfect sweet spot. If you are looking for something with a higher payload, or longer lengths, take a look at our U5 or U6 models.Features may include:Arctic Wire HarnessPremium ComponentsPressure Treated Pine Floor3 Year Structural WarrantyPremium Powder Coat
