Description

The UFORCE U10 Pro delivers the rugged performance of a hard-working utility machine with the comfort and innovation of a top-tier ride. Its 998cc inline triple engine delivers 88 horsepower through the smooth, ultra-efficient OmniDrive™ continuously variable transmission. Switch between WORK and NORMAL drive modes, depending on the task, and haul heavy with a 1000-lb. capacity cargo box featuring electronic/hydraulic tilt. The 4,500-lb. winch with synthetic rope comes standard, as does an integrated audio system, 8” RideSync® touchscreen, and push-button shifting. With bench seating for three and premium tech on deck, the U10 Pro is as serious about comfort as it is about getting the job done.
