Description

Built for performance and durability, the ST8220CHS-B-100 is a 7' x 20' steel deck car hauler designed to handle everything from race cars to rugged equipment. With a 10,000 lb GVWR, tandem brake axles, and a full steel deck, this trailer offers unmatched stability and traction for loading and transport. The slide-in rear ramps make access easy, while rub rails, stake pockets, and D-rings provide versatile tie-down options. Its powder-coated finish, sealed wiring harness, and LED lighting ensure long-lasting reliability and safety on the road. Whether you're heading to the track or the job site, the ST8220CHS-B-100 delivers the confidence and capability you need.
