Description

Experience effortless loading and unloading with our innovative EZ Load Drop Deck System. This advanced mechanism ensures quick, efficient, and safe operations, saving you time and eliminating the need for ramps.
Longest Drop Deck Trailer on the Market: Maximize your cargo capacity with the longest drop deck trailer available. The 26’ deck length provides enough space to haul a wide variety of equipment in a single trip.
4-degree Loading Angle: The gentle 4-degree loading angle allows for smooth and safe loading and unloading of even the lowest vehicles and equipment while eliminating the need for ramps.
