Description

BOSS has joined forces with the leader in high-performance, CONTRACTOR-grade snow shovels! This tough, durable, high performance shovel is built for the abuse of the season with premium blade material for unmatched scraping ability. D-Grip Handle Designed to fit bulky, gloved hands, the D-style grip allows for comfortable, powerful, ergonomic position. BOSS reflective strip: the added safety reflector provides visibility for crews working at night near traffic. BOSS red fiberglass,

reinforced handle: the reinforced core insert plug provides additional strength and durability with twice the wall thickness of the industry standard. Hex head zinc fasteners make replacing components simple even after years of use in tough conditions.
