Price: $11,500.00

MSRP: $12,000.00

Description

The Nexhaul 15K Dump Trailer with 4' side walls is built for maximum durability and performance, designed to handle even the toughest jobs with ease. Featuring a 15,000LB GVWR, dual 7,000LB axles with electric brakes, and an 8" super-duty main frame, this trailer is engineered for strength and reliability. Its dual-cylinder hydraulic system offers power up and down functionality, controlled by a wired remote, ensuring smooth operation every time. The rugged 11-gauge steel construction, heavy-duty loading ramps, stabilizing outriggers, and split gate make this trailer versatile and ready for any task. Equipped with EZ lube hubs, slipper spring suspension, LED lights, heavy-duty safety chains, and DOT tape, it’s built for both safety and convenience. Practical features like a lockable toolbox, stake pockets, (4) in-bed D-rings, a spare tire mount, and a super-duty battery enhance usability, while 16" radial tires on heavy-duty steel wheels and a powder-coated finish ensure long-lasting durability. Rugged, reliable, and ready for work, the Nexhaul 15K Dump Trailer is the ultimate tool for your toughest hauling needs.
